

# Cut Your Rates In HALF!

## Follow these simple instructions to save money.

Instructions: Pass this card along to other business owners and you will receive a \$25 referral check in the mail when the referred business purchases a directory listing with Yellow Pages, Inc. To receive your \$25 referral check, referred businesses must fill out and send in a referral card (supplied on back). Yellow Pages, Inc. is not responsible for lost or incomplete referral cards.

The more businesses you refer, the more your rate reduces and the more you can possibly earn. There are no limits to the number of businesses you may refer. Need more referral cards? You can print them from our website at [www.yellowpagesinc.com](http://www.yellowpagesinc.com). Just click the "Referrals" link on the main page.

**NOTE:** Make sure you put your customer # on the back side of the pass-along card in order to get your referral check!

Program expires July 1, 2002.
